VOLUNTEER RECOGNITION AWARDS & CELEBRATION

Federation Council would like to recognise and honour those individuals, groups and organisations that help to make our communities a great place to live.

As part of Volunteer Week 2017, Federation Council is encouraging residents to celebrate the valuable contribution volunteers make to the community by nominating them to receive a Volunteer Recognition Award.

Residents can nominate individuals who show compassion, commitment and hard work or a whole group who offer their time and skills to help others in the community.

Council will be hosting a free event in July to recognise nominated volunteers. The 2017 Volunteers Awards Celebration will be an opportunity to say 'thank you' to volunteers for their efforts.

Nominations are open until Friday 23 June 2017 and Council is asking residents to consider who they would like to thank for their contribution to the community.

For further information, please visit Council's website or phone **(02) 6930 9100**.

DRAFT DISABILITY INCLUSION ACTION PLAN

As part of the NSW Disability Inclusion Act, all NSW Councils are required to develop a Disability Inclusion Action Plan to help remove barriers and enable people with a disability to participate fully in their communities.

Federation Council endorsed its draft Disability Inclusion Action Plan at the April Council meeting and has placed the document on public exhibition to seek feedback from the community.

Council's Disability Inclusion Action Plan aims to:

- promote positive attitudes and behaviours in the community
- provide better access to information, services and facilities
- provide a more liveable and accessible community
- enhance employment opportunities and
- increase opportunities for people with disability to participate.

The draft plan is available for viewing from Council's website or at any Council office. Anyone interested in providing feedback on the plan should do so in writing, addressed to the General Manager, PO Box 77, Corowa NSW 2646 or email to council@federationcouncil.nsw.gov.au

Submissions close Monday 22 May.

FIRE AND EMERGENCY SERVICES LEVY

From 1 July 2017, the NSW Government is introducing a fairer system for funding our community's fire and emergency services. At present, these services are funded by a levy on insurance, which will be removed from 1 July. From this time, all properties, not just insured properties, will directly contribute to the cost of these services through the Fire and Emergency Services Levy (FESL).

The FESL will be paid alongside your council rates. You will be notified in July of your FESL contribution as part of your council rates notice, or a separate notice for non-rateable properties. Like council rates, you may pay the FESL annually or quarterly.

The FESL paid will, in part, depend on your properties classification as a residential, farmland, industrial, commercial or public benefit, and whether or not the land is vacant.

Residents are now receiving a letter from council with their properties classification. No action will be required if you agree with the classification of your property.

If you disagree with your properties classification, you can request a review by contacting Federation Council on **(02) 6033 8970** or rates@federationcouncil.nsw.gov.au and completing the FESL – Review Application Form available on Council's website.

Further information, residents are encouraged to visit www.fesl.nsw.gov.au or phone **1300 78 78 72**.
