

# FEDERATION COUNCIL SNIPPETS

CREATING OPPORTUNITY  
CELEBRATING COMMUNITY

## STRONGER COMMUNITIES PROGRAMME - ROUND 3

The Stronger Communities Programme supports the Australian Government's commitment to deliver social benefits in communities across Australia by funding small capital projects in each of the 150 federal electorates.

Round 3 of the programme will provide \$22.5 million. The programme's intended outcomes are to improve local community participation and contribute to vibrant and viable communities.

Each local Member for Parliament will identify potential applicants and projects in their electorate in consultation with their community.

Grants will be awarded through a closed non-competitive process where invited applications identified by your local MP will be assessed against the programme eligibility criteria.

Applicants will be required to provide co-funding towards their project and grant funding will be up to 50 per cent of eligible project costs.

For further information including how to apply and programme eligibility criteria visit Council's website [www.federationcouncil.nsw.gov.au](http://www.federationcouncil.nsw.gov.au)

## COUNCIL MEETINGS NOW BROADCAST LIVE ON YOUTUBE

Federation Council is pleased to offer LIVE streaming of our monthly Council Meetings on YouTube. This gives residents the opportunity to observe Council business via their computers and mobile devices.

This is a significant step forward in terms of raising the profile and interest in Council Meetings through making meetings more accessible to the community as a whole.

Visit our webpage and search 'Council Meetings' in the search bar and click the link to watch our Ordinary Council Meetings live on YouTube.

Council's next Ordinary Council Meeting is scheduled for Tuesday, 15 August 2017 at 10am

## BURNING OFF IN RESIDENTIAL ZONES

Federation Council residents are being reminded that open air burning is not permitted within residential areas, exceptions being when it is used for warmth or cooking, such as barbecues, pizza ovens, chimneys and fire pits.

Open air burning must not be offensive or a nuisance to other people, be the cause of a health hazard, affect visibility for motorists on the roads, or create any other hazard on or near a road.

Failure to comply may result in a \$500 fine.

Open burning is regulated in NSW by the Protection of the Environment Operations (Clean Air) Regulation 2010.

Burning wood and rubbish in open fires and incinerators can cause smoke, which is a major cause of air pollution.

It can harm the environment and your health.

The Protection of the Environment Operations (Clean Air) Regulation 2010 ('the Regulation') provides regulatory measures for a number of different air quality issues.

For more information on open air burning, visit the NSW Environmental Protection Agency website [www.epa.nsw.gov.au](http://www.epa.nsw.gov.au)
