NSW COVID-19 STAY AT HOME ORDERS

To protect communities from the evolving COVID-19 situation across NSW, stay-at-home orders were introduced for all of Regional NSW from 5pm, Saturday 14 August and have been extended for regional NSW until at least 11:59pm on Friday 10 September, in line with existing orders for the Greater Sydney area.

To assist in the management of COVID-19 associated risks and restrictions, there have been a number of changes to Council facilities and services.

Our Council offices and facilities are closed to the public until further notice.

This includes the following:

- Council Offices located in Corowa, Howlong, Mulwala & Urana.
- Works Depots located in Corowa & Urana.
- Corowa Service NSW Agency.
- Council Libraries located in Corowa, Howlong & Mulwala.
- Corowa Visitor Information Centre.
- Corowa Aquatic Centre.

We are encouraging our residents and customers to engage with us via our website, phone or email during this time.

The latest Information about changes or disruptions to Council Services and operations during the COVID-19 pandemic can be found on Council's website.

DISABILITY INCLUSION ACTION PLAN

Federation Council is committed to making a more inclusive community for all people.

It is now time for Council to develop a new Disability Inclusion Action Plan for the next four years. The Disability Inclusion Action Plan will outline the practical steps Council will take to improve access and inclusion for people with disability so they can participate in all areas of community life.

If you are a person with disability, a parent, family member or someone that cares for someone with disability, Council wants to hear your thoughts on living with disability in the Federation Council area.

To find out how you can provide your feedback please visit the Council website.

MICROCHIP YOUR PET

Microchipping is a quick and harmless procedure where a small microchip is inserted between your pet's shoulder blades either by a local vet or animal welfare organisation. It provides identification only for your animal.

If your microchipped pet goes astray and is taken to a vet, pound or shelter, we use the microchip's data to contact you and quickly reunite you with your pet.

Microchipping your animal does not include registration. You must register your dog by 6 months and cats by 4 months of age.

Our furry friends are so important in our lives, so make sure your pet is microchipped so if it does go astray we can return it safely to you. Find out more from Council's website.

COMMUNITY GRANTS PROGRAM

Round one of the Federation Council 2021-2022 Community Grants Program is now open, with funds available to help local community groups, organisations and clubs to deliver a range of community projects, programs and events. Council is encouraging not-for-profit groups and organizations to apply for a share in \$60,000 of funding for this year's first round of Community Grants Program.

Eligible applicants can apply under one of three categories:

- **Category 1** – Seed funding grant; to support the establishment of new initiatives, applicable up to \$3,000 per applicant.
- **Category 2** – Emerging Grant funding; to support the promotion of emerging projects, applicable up to \$1,500 available per applicant.
- **Category 3** – Community events grant; to support the strategic development for small to medium events, applicable up to \$1,500 per applicant.

A new online easy to complete application form is now available from Council's website along with frequently asked questions and grant application tips.

Applications close **5pm, Friday 17 September** and further information is available from Council's website.

SWOOPING BIRDS

Spring often signals the beginning of breeding season for our native birds, mainly Magpies and Plovers, which subsequently means swooping.

During the nesting season, a Magpie may swoop on people, clacking its beak. While alarming, it is usually an attempt to defend its family so just a warning.

The good news is that a single Magpie will swoop for only six weeks until their chicks leave the nest.

Council has prepared a list of known swooping locations along with some safety tips to help protect you and your family. This information is available on Council's website. If you know of a hot spot swooping location, please let us know by completing the online form from Council's website.

HERBICIDE APPLICATION

A selective herbicide application will occur in September 2021 and early October 2021 to ovals, parks and open spaces throughout the Federation Council area. This process is to improve turf quality and reduce mowing frequencies. The herbicide that will be used is Javelin (20g/l Clopyralid, 15g/l Diflufenican and 300g/l Mcpa)

COMMUNITY DIRECTORY

Looking to recruit new members to your club or organisation?

Struggling to find volunteers?

Want a way for people to find you?

Federation Council is encouraging all locals to register and use the community directory on Council's website.

The Community Directory is an online directory that aims to bring together a range of community services in the one space. It provides information for people who may be looking to join a sporting club or volunteer at a local service club.

As well as links to service providers and support for people who may be needing assistance.
