COMMUNITY SATISFACTION SURVEY

Federation Council will undertake a new independent quantitative Community Satisfaction Survey project. The research objective is to determine the community's satisfaction, as well as the importance of Council's performance across service areas and facilities to provide Council with guidance on the future needs of the community. The research outcomes will also inform Council's progress in achieving its measures and feed into Council's Integrated Planning and Reporting (IPR) Framework. It will also provide benchmarks with other similar LGAs and act as a reference point for the progressive initiative that will shape Federation's future.

The telephone survey and online survey will be conducted by IRIS Research on behalf of Federation Council. Survey data collection will occur from Monday 10 August to Friday 21 August 2020.

As a minimum, performance measures assessed by the Community Satisfaction Survey include:

- Overall performance;
- Community consultation and engagement;
- Lobbying on behalf of the community;
- Decisions made in the best interests of the community;
- Condition of sealed local roads in your area;
- Contact customer service; and
- Overall Council direction.

The results of the Community Satisfaction Survey will be used by Council to better understand the communities needs in relation to its services.

For further information visit Council's website.
