BARKING DOGS

A persistent barking dog can be unpleasant and cause negative consequences in people's lives.

Federation Council recommends that if you have dog barking concerns in your neighbourhood to communicate with the owner to find a mutually acceptable solution.

There are many reasons why dogs bark, find out these and further information from our fact sheet available from Council's website.

If you feel that an animal is being neglected or abused, please contact the RSPCA or an animal welfare organisation.

OVERGROWN VEGETATION

As the warmer weather provides ideal conditions for grass, shrubs, weeds and vegetation to grow rapidly, Federation Council wishes to remind all landowners that they are responsible for maintaining the vegetation within their property boundaries, fencelines and nature strips in good order.

Please help keep our community safe by slashing, mowing or clearing overgrown vegetation.

Council staff respond to concerns about excessive vegetation on properties and have the ability to serve notices and issue penalties where a property owner is non-compliant.

Find out further information from Council's website.
