COMMUNITY DRUG ACTION TEAM COMMITTEE

Federation Council is calling for nominations from community members to join the Community Drug Action Team Committee.

Council would love to hear from community members who are passionate about building a strong, healthy and connected community.

Ideally, the Federation CDAT would include representatives of local government, local community groups, local traders/business associations, health professionals, police, schools, and individuals who want to contribute to the prevention of drug and alcohol related harm.

People wishing to nominate must be prepared to represent the whole of the community and work together to prevent and reduce the harmful effects of alcohol and other drugs in our community.

Nominations close Monday 21 September 2020.

Nominate today from Federation Council's website.

COMMUNITY GRANTS PROGRAM

Federation Council's Community Grants Program Round One is now open for applications until Friday 18 September 2020.

The Community Grants program aims to support and empower local clubs and not-for-profit community organisations to deliver activities, programs, projects and events that contribute to the vibrancy of the Federation Council area.

Further information including the program guidelines and online application form are available from Council's website.

BIOSECURITY WEEDS

With the commencement of Spring and the weather warming up, Biosecurity weeds around Federation Council area are likely to become more prominent over the coming months.

This is particularly so given the rainfall of late which will create ideal conditions for weeds to grow.

Council is currently prioritising the reduction and elimination of Biosecurity weeds, with a focus on problem weeds such as Chilean Needle Grass, St John's Wort, Spiny Burr Grass, Horehound, African Boxthorn, Blackberry, Silver leaf nightshade and Coolatai Grass.

An inspection program is undertaken by Council throughout the year to manage Biosecurity weeds in the area and to minimise the spread of these weeds. This inspection program assists to identify weeds in their early growth stage, so that Council and landowners can control the spread of weeds.

To assist landowners, a range of information and resources regarding weeds can be found at any Council office, which includes printed materials to help with the identification of weeds and also available from Council's website.

Council is encouraging landowners to take effective measures to remove weeds from their property.

For further information regarding Biosecurity weeds around the Council area or on your land, please contact Council.

WASTE MANAGEMENT FACILITY FEES & CHARGES

Federation Council has undertaken a major review of its Waste Management Facility fees and charges with a new fee structure commencing Friday 28 August 2020.

Council has also implemented a large range of new fees for various categories of recycling which are free, at cost or heavily subsidised.

The fees have been structured in a manner to encourage separation and recycling which in turn minimises the volume of rubbish being disposed of at landfill sites located in the Federation Council area.

Further information in relation to the new fee structure is available from Council's website or by contacting Council.
