WATER MAINS CLEANING

Federation Council has commenced water main cleaning in the townships of Corowa, Mulwala and Howlong.

The air scouring process will take approximately 3-4 hours per segment of water main being cleaned, with the entire network taking approximately 10 to 14 days to complete. Customers will receive a letter informing them of the dates and times their water supply will be affected.

Works are expected to be completed by **Saturday 17 September, 2022**.

During the cleaning process, customers may experience short periods of dirty or discoloured water.

Periodic water main cleaning is part of the ongoing commitment by Council to maintain a quality water supply for its customers.

If you require any further information, please contact Council on **(02) 6033 8999**.

SELECTIVE HERBICIDE APPLICATIONS

Selective Herbicide applications will occur from **Monday 15 August to Monday 10 October 2022** to all Council ovals, parks, and open spaces. This is an annual program to remove broadleaf weeds. This process reduces mowing frequencies and will improve turf density. The selective herbicide that will be used is Javelin (20g/l Clopyralid, 15g/l Diflufenican, 300g/l Mcpa).

DEVELOPMENT CONSENTS

Public notice is given pursuant to Section 101 of the Environmental Planning and Assessment Act, 1979, that the Council has granted development consent in respect of the following developments. The consents are available for public inspection by contacting Council during business hours.

DA NO.	ADDRESS	APPROVED WORK
2022/615	29 Adam Close Mulwala	Dwelling
2022/534	126 Katrina Circuit Corowa	Pergola
2022/518	6 Sisters Lane Howlong	Dwelling

Federation Council advises that there are significant delays to all applications being lodged for each stage of the development process.

Staff shortages, in conjunction with the increasing complexity of the NSW Planning Portal Processes required to be undertaken by Council has seen pre-lodgement assessment times increasing to 6-8 weeks and average determination times taking between 10-12 weeks.

We ask you for your cooperation as Council officers concentrate on clearing the backlog of applications while maintaining all other legislated services.

COMPANION ANIMAL REGISTRATION

Council has recently reviewed the NSW Companion Animals Register which includes the details of microchipped cats and dogs residing in the Federation Council area.

This review has found there are companion animals that are yet to be registered with Council as legally required.

As part of Council's Companion Animals Compliance Program, reminder letters are currently being issued to residents where this applies.

Our furry friends are so important in our lives and at Council, there is no better joy for our rangers to be able to return your pet home safely, however, if your pet is not registered they may not know where to return them to.

Registration can be completed at any Council office during business hours and further information is available from Council's website.
