'LOVE OUR DESTINATIONS' TOURISM MARKETING CAMPAIGN

Destination NSW have launched their state-wide campaign 'LOVE NSW'. To complement this unique NSW based marketing campaign, Federation Council has created our own version of this bespoke to our towns.

The LOVE NSW Campaign goal is to focus on turning dreams into reality by enticing holidaymakers to hit the road as soon as possible, and plan that next getaway. Encouraging people to stay 'locally' and spend 'locally' in NSW.

By aligning our own campaign activities and creatives we ensure we stay front of mind to those who know us (past visitors), hope to encourage those who may have not visited before and provide our many valued tourism operators with campaign assets to help everyone get involved.

This is a social media campaign, hence the more people that get involved the bigger it will be. We encourage you to participate, spread the word and encourage you to get involved too. A campaign guide has been developed to support tourism operators to participate. All campaign assets are available for use and can be obtained by contacting the Corowa Visitor Information Centre at tourism@federationcouncil.nsw.gov.au. Visit Council's website for further information, including how you can become involved.

SWOOPING MAGPIES

Spring has arrived and so has the Magpie swooping season! Remember, they are only protecting their babies! The good news is that a single Magpie will swoop for only six weeks until their chicks leave the nest.

During the nesting season, a Magpie may swoop on people, clacking its beak. While alarming, it is usually an attempt to defend its family so just a warning. Council has prepared a list of known swooping locations along with some safety tips to help protect you and your family.

If you know of a hot spot swooping location, share the location via our online form available from Council's website.
