COROWA AQUATIC CENTRE SERVICE REVIEW - HAVE YOUR SAY!

To assist with maximising the Corowa Aquatic Centre full potential for patrons and the community, Council staff have undertaken a service review of Corowa Aquatic Centre to identify and weigh-up different service delivery model options that could be successfully implemented at the centre. Seven (7) different service delivery models were identified as part of this review. The service review was considered at the June 2023 Council meeting and Council selected two (2) preferred service delivery models to seek community feedback and input. Council staff will be undertaking community engagement throughout July to seek community input before Council makes a decision about the future service delivery model.

To support this service review, Council staff will be hosting a series of drop-in sessions with the community to provide them with an overview of the project, and receive feedback as noted above. There is also an online survey that Council staff are encouraging everyone to participate in.
