### OUR COMMUNITY MOVEMENT

The threat of novel coronavirus disease (COVID-19) is impacting lives worldwide, social distancing and self-isolation will be a challenge for many people with feelings of loneliness having a negative impact on health and wellbeing.

At times like this, it's essential we support one another and show compassion to those who need it, neighbour to neighbour, street to street.

Like many acts of kindness starting to emerge online by other Council's and organisations, Council officers have developed a free postcard that can be downloaded from Council's website. Residents can print out the postcard and pop it in their neighbour's mailbox using good hand hygiene or screenshot and send to their neighbours electronically.

Anyone is welcome to use this and Council urges residents, businesses, community organisations and other Council's to share it with their communities. Participants are also encouraged to share their community spirit on social media by using the hashtag #ourcommunitymovement.

### FIREWOOD COLLECTION PERMITS

As the cooler weather approaches, residents in the Federation Council area are reminded that a permit is required to collect firewood from road reserves for home heating.

To apply for an annual permit, complete the online application form available from Council's website.

Council staff will be in contact via phone to complete the application process.

Firewood collection is limited to 1 April – 30 September each year.

### ARTS & CULTURE SURVEY

Federation Council is committed to creating a vibrant arts and cultural environment for our residents and visitors.

The Federation Arts and Cultural Advisory Committee invites everyone who lives, works and connects with arts and culture in the Federation Council to complete the survey.

The information will be used to inform the development of an Arts and Cultural Strategy for the Federation Council area.

The survey will take around five minutes of your time, and your answers will be completely anonymous.

Complete the survey online from Council's website.

The survey will close Thursday 30 April 2020.
