1. Purpose

The purpose of this document is to provide clear information about managing social media for Federation Council. The main readers of the document are Federation residents, Councillors and employees.

This Policy outlines how Council will manage its social media activities and will explain how:

1. Council manages its social media channels and online communities
2. Councillors are required to manage their social media platforms.

This policy applies to Council officials defined in Council's Code of Conduct and includes Councillors, Council staff, members of Council committees and delegates of Council.

Council operational procedures should be referred to for direction on the use of social media for critical incident and business continuity purposes and for employee use of social media in their personal and professional capacities.

2. Background

This Policy replaces the Social Media Policy, which was adopted in December 2022.

The Office of Local Government (OLG) finalised the Model Social Media Policy in April 2022. This forms the basis of this policy. While not mandatory, the Model Social Media Policy reflects best practice and all councils, county councils and joint organisations are encouraged to adopt them. Council is free to adapt the policy to suit its local circumstances and operating environments and to supplement it with its own provisions.

All Federation Council communication channels are an extension of Council's information networks and is further governed by other policies including:

- Community Engagement Strategy;
- Council Participation Plan;
- Code of Conduct; and
- Privacy Management Plan and Records Management Act.

3. Scope

3.1 Part 1 – Principles

Councillors, staff and other officials of Federation Council Council are committed to upholding and promoting the following principles of social media engagement:

- Openness: Our social media platforms are places where anyone can share and discuss issues that are relevant to our Council and the community we represent and serve

- **Relevance:** We will ensure our social media platforms are kept up to date with informative content about our Council and community
- **Accuracy:** The content we upload onto our social media platforms and any other social media platform will be a source of truth for our Council and community and we will prioritise the need to correct inaccuracies when they occur
- **Respect:** Our social media platforms are safe spaces. We will uphold and promote the behavioral standards contained in this policy and our Council's code of conduct when using our social media platforms and any other social media platform.

3.2 Part 2 - Administrative framework for Council's social media platforms

Platforms

2.1 Council will maintain a presence on a range of social media platforms.

2.2 Council's social media platforms must specify or provide a clearly accessible link to the 'Page Rules' for engaging on the platform.

Establishment and deletion of Council social media platforms:

2.3 A new Council social media platform, or a social media platform proposed by a Council-related entity (for example, a Council committee), can only be established or deleted with the written approval of the General Manager.

2.4 Where a Council social media platform is established or deleted in accordance with clause 2.3, the General Manager or their delegate may amend clause 2.1 of this policy without the need for endorsement by the Council's governing body.

Appointment and role of the Manager Communication & Engagement

2.5 The General Manager appoints Council's designated Manager Communication & Engagement (MCE) to oversee the management of this policy.

2.6 The MCE's role is to:

2.8 The MCE is an authorised user for the purposes of this policy.

2.11 The MCE will appoint authorised users when required.

2.12 An authorised user must receive a copy of this policy and induction training on social media use and Council's obligations before uploading content on Council's behalf.

2.17 Authorised users may use more personal, informal language when engaging on Council's social media platforms, for example when replying to comments.

Register of authorised users

2.18 The MCE will maintain a register of authorised users. This register is to be reviewed every 12 months to ensure it is fit-for-purpose.

Ceasing to be an authorised user

- d) the MCE is of the reasonable opinion that the staff member is no longer suitable to be an authorised user.

3.3 Part 3 - Administrative framework for Councillors' social media platforms

5.7 Prior to removing or 'hiding' the content, the moderator must make a record of it (for example, a screenshot).

Blocking or banning

5.11 If a person uploads content that is removed or 'hidden' under clause 5.6 of this policy on 5 occasions, that person may be blocked or banned from the social media platform.

5.12 A person may only be blocked or banned from a Council social media platform with the approval of the MCE. This clause does not apply to blocking or banning a person from a Councillor's social media platform.

5.13 Prior to blocking or banning a person from a social media platform, the person must, where practicable, be advised of the intention to block or ban them from the platform and be given a chance to respond. Any submission made by the person must be considered prior to a determination being made to block or ban them.

Where the decision to block or ban the person was made by the General Manager, the review must be undertaken by another senior and suitably qualified member of staff who was not involved in the decision.

5.20 Where a person that is the subject of a block or ban continues to engage on a social media platform using an alternative social media account, profile, avatar, etc., a moderator may block or ban the person from the platform(s) immediately. In these circumstances, clauses 5.11 to 5.19 do not apply.

3.6 Part 6 – Use of social media during emergencies

6.1 During emergencies, such as natural disasters or public health incidents, the MCE will be responsible for the management of content on the Council's social media platforms.

In fulfilling their obligations, Council officials should refer to any guidance issued by the Information and Privacy Commission of NSW, such as, but not limited to, the Health Privacy Principles.

3.8 Part 8 - Private use of social media

Note: Activities on social media websites are public activities. Even though privacy settings are available, content can still be shared and accessed beyond the intended recipients.

The terms and conditions of most social media sites state that all content becomes the property of the site on which it is posted.

What constitutes 'private' use?

8.1 For the purposes of this policy, a Council official's social media engagement will be considered 'private use' when the content they upload:

- a) is not associated with, or does not refer to, the Council, any other Council officials, contractors, related entities or any other person or organisation providing services to or on behalf of the Council in their official or professional capacities, and
- b) is not related to or does not contain information acquired by virtue of their employment or role as a Council official.

8.2 If a Council official chooses to identify themselves as a Council official, either directly or indirectly (such as in their user profile), then they will not be deemed to be acting in their private capacity for the purposes of this policy.

3.9 Part 9 - Concerns or complaints

9.1 Concerns or complaints about the administration of a Council's social media platforms should be made to Council's MCE in the first instance.
