The draft Southern Riverina Drought Resilience Plan has been developed through the collaboration of Berrigan Shire, Edward River, Murray River and Federation Councils' communities. Feedback closes 5pm, **Wednesday 29 May 2024**.

The draft Legislative Compliance Policy sets out Federation Council's position for complying with obligations under state and federal law. Feedback closes 5pm, **Wednesday 5 June 2024**.

### NOTICE OF PROPOSED DEVELOPMENT APPLICATIONS

In accordance with Council's Public Notification Policy regarding Development Applications, the following are hereby listed for public comment. Plans relating to these proposals are available for review from Council's website [www.federationcouncil.nsw.gov.au](http://www.federationcouncil.nsw.gov.au)

DA NO.	Address	Zoning	Proposed Work

Following the recent announcement by Australia Post that mail deliveries to households will be reduced from a daily service, Council has extended the timeframe for responses to Development Application Notifications from 14 days to 21 days. The extension of time will ensure that the community is provided with adequate time to respond to proposed developments and will assist Council in receiving and addressing the views of the community when assessing proposed developments.

Persons making a submission are required to comply with Section 147(5) of the Environmental Planning Assessment Act (Political Donations & Gifts Disclosure Statement). Forms are available from Council's administrative offices.

### DEVELOPMENT CONSENTS

Public notice is given pursuant to Section 101 of the Environmental Planning and Assessment Act, 1979, that the Council has granted development consent in respect of the following developments. The consents are available for public inspection by contacting Council during business hours.

Federation Council advises that there are significant delays to all applications being lodged for each stage of the development process. Staff shortages, in conjunction with the increasing complexity of the NSW Planning Portal Processes required to be undertaken by Council has seen pre-lodgement assessment times increasing to 6-8 weeks and average determination times taking between 10-12 weeks. We ask you for your cooperation as Council officers concentrate on clearing the backlog of applications while maintaining all other legislated services.
